Dear Friends,

From February 18 to March 18, the Cultural Services of the French Embassy will join forces with Anthology Film Archives, the Baryshnikov Arts Center and the French Institute Alliance Française (FIAF) to present a month-long multidisciplinary festival in New York celebrating the life and work of Marguerite Duras. The festival will showcase Duras's wide range of talents, from her award-winning literary works to her ground-breaking movies and plays. A unique photo exhibition by Hélène Bamberger at the French Cultural Services will also give a rare glimpse of Duras's personal life.
