

Dear parents,

I invite you to visit with your kids our second subtitled MUZZY Video Lesson, NUMBERS, embedded on the page French for Kids of my FLE (Français Langue Etrangère) web site, just click here: <http://desaules.wordpress.com/video/>

Video Lesson 1, HomeWork:

Salut! Je m'appelle...

Listen and try to repeat the phrases, using the subtitles.

I make the Video lessons with the help of my daughter Pauline, native French speaker, and a kid friendly MUZZY puppet :) The lessons review essentials of our Muzzy classes.

Video Lesson 2, ClassWork:

Vingt oranges (Nombres)

Please find attached some Early Advantage suggestions on exposing your kids to the Muzzy method.

Best regards,

Tatiana
